Good Afternoon,

In light of a recent influx of CPRA requests from an individual who continues to be problematic to Discovery, OIG and now my office I am requesting a Zoom meeting to discuss legal strategies and at minimum a uniform way to respond to this individual. I know Mark and I had a discussion with you a week or so ago, however I find myself now in the same position Mark described, it is basically shutting down me and my ability to support the Commission.

So I offer the following as a starting point for the Zoom meeting:

Monday, 8-10 & 12-2

Wed, 8-10 & 11-2

Thursday, 8-5

All the best,

Richard
